Child Sponsorship

Bring joy to a child Christmas morning through gifts you select from their wish list. Our goal is for each child to have five gifts to open (approx. \$125 total max value). We ask sponsors to also provide gift cards to local stores to provide a fun after Christmas shopping experience for each child and the ability to select their own clothes and shoes (\$125 value). A wish list and suggested stores for gift cards will be provided by Nov 10th. We ask that purchased gifts be delivered to Morningstar by Dec 10th.
