

dinner under the stars

annual farm-to-table fundraiser
saturday, october 21, 2023

Dear Friends:

Once a year, the historic Morningstar campus becomes the backdrop for a memorable night of dinner and fellowship, where our partners and the wider community gather to hear the story and share financial support for the mission of creating home and healing for Georgia’s foster children. As leaders of the Morningstar Board of Directors, we are proud to serve as chairs for the 6th Annual Dinner Under the Stars event on Oct 21, 2023. We invite you to join us for dinner and difference making for the children served at Morningstar by becoming an event sponsor.

Morningstar Children’s Home, the residential care program of Morningstar Children and Family Services, specializes in caring for Georgia’s foster children, ages 12-21, who have come into care due to abuse, neglect, and abandonment. Our campus houses the only residential program in Georgia which solely serves developmentally delayed youth, many with autism and complex care needs. In addition to providing home, our mission is to help create brighter futures for each child through therapeutic counseling, life skill training, and workforce coaching.

Please join us in supporting the children by becoming a sponsor for Dinner Under the Stars. The various sponsorship levels are outlined in this packet and include seats at our sell-out dinner, recognition in our event program, social media shoutouts, special artwork created by the boys, and the satisfaction of knowing that you are supporting a program that has a lasting impact on the lives of Georgia’s foster children.

Whether you have been a partner for years, or you are joining us for the first time, the October 21 event promises to be an unforgettable evening for those in attendance. Thank you for your generosity and partnership in creating a brighter future for Georgia’s children.
